Linux – Good  
MariaDB – Good  
Microsoft Office – Excellent

### Hobbies

Video game speedrunning and music

### Certifications

Describing Azure completed in 2023  
AWS Getting Started in 2023

All my certifications can be seen in my LinkedIn profile.

# Curriculum Vitae

I am a 22-year-old engineering student at the University of Applied Sciences in Jyväskylä in the field of information and communication technology (ICT), specializing in data analytics and AI. I have additionally completed specialized courses in full-stack development. I am actively looking for job opportunities, which I hope can improve my proficiency and work experience in the field.

I have been described as analytical, improvement-oriented and able to reflect on my own work and take in feedback. I have proven to have elite-level pressure management and can work well in high-stress environments. The main thing that excites me in the workforce are projects, as working towards a common goal is something that resonates with me deeply.

My goal is to land an internship to both finish my degree and enter the workforce. I work efficiently on my own, but I am also a team player, as I can voice my opinion clearly and constructively. I am a fast learner, and I adapt quickly to new challenges.

### Education

August 2022 – June 2026  
JAMK University of Applied Sciences – Jyväskylä  
Bachelor's degree in information and communication engineering

August 2019 – June 2022  
High school of Äänekoski – Äänekoski  
High school diploma

### Job history

June 2025 – December 2025 (part time)  
NUKE-Liiga – Hybrid  
Production Manager

I handled the preparation, management and the technical execution of the broadcast, as well as the in-game camerawork. I excelled in team communication and proved to have elite-level pressure management and ability to work in high-stress environments.

May 2022 – August 2022 (summer job)  
ABC Hirvaskangas – Hirvaskangas  
Retail store worker

I worked mainly on shelving, storage and dishes.

July 2019 – August 2019 (summer job)  
K-citymarket Äänekoski – Äänekoski  
Trainee

My job mainly involved shelving and cleaning.

June 2019 – July 2019 (summer job)  
City of Äänekoski – Äänekoski  
Youth counsellor's assistant

I worked as an assistant painter as part of the Äänekoski Tärttämäki bridge painting project.

June 2018 (summer job)  
Pienryhmäkoti Huvikumpu – Äänekoski  
Summer trainee

My job mainly consisted of cleaning and assisting with guiding children.

### Language skills

Finnish – Native language  
English – Excellent  
Swedish – Good  
Russian – Basics
